BAGIAN 3: LEVEL HOTS (HIGH ORDER THINKING SKILLS - 20 SOAL)

Format: Contextual Text Analysis, Sentence Reconstruction, Error Correction, & Paragraph Writing

Teks 1 (Soal 41 - 45):

"Last year, Bayu's neighborhood organized a Panjat Pinang competition. The tall nut tree pole was covered with grease, making it extremely slippery. Bayu and four of his friends formed a team. In their first two attempts, they fell down before reaching halfway because the lowest climber couldn't hold the weight. Realizing their mistake, they changed their strategy. They put Aris, the strongest and heaviest member, at the bottom, and Bayu, the lightest, at the top. With strong cooperation and perseverance, Bayu finally reached the top and reached the prizes, including a new bicycle."

41. What main problem did Bayu's team face during their first two attempts?
Jawab Singkat: [Kode: The pole was slippery and the lowest climber couldn't hold the weight.]
42. Analyze why changing the team formation was crucial for their success!
Jawab Singkat: [Kode: Putting the strongest member at the bottom provided a stable foundation.]
43. What core values/attitudes enabled Bayu's team to win the competition?
Jawab Singkat: [Kode: Cooperation, perseverance, and good strategy.]
44. Identify the Verb 1 (base form) of the words 'formed', 'fell', 'realized', and 'reached' from the text!
Jawab Singkat: [Kode: form, fall, realize, reach]
45. What would likely happen if Bayu's team didn't change their formation?
Jawab Singkat: [Kode: They would keep falling and fail to reach the top.]
