### Apply and Grow: Practice

3. Use the *count on* strategy to find  $47 + 216$ .

$$47 + 216 = \underline{\hspace{2cm}}$$

4. Use the *make a ten* strategy to find  $478 + 64$ .

$$478 + 64 = \underline{\hspace{2cm}}$$

Find the sum.

5.  $395 + 82 = \underline{\hspace{2cm}}$

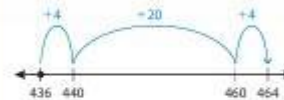

6.  $653 + 109 = \underline{\hspace{2cm}}$

7. Humans have 24 rib bones and 182 other types of bones. How many bones do humans have in all?

8. **Use Equations** Write the equation shown by the number line.

9. **Structure** Show two different ways to find  $225 + 39$  using a number line.
