BÀI 2 READING COMPREHENSION – PRE-READING

REVIEW 3 – UNITS 9–12 | FLYERS LEVEL

Read each short part and choose the correct answer (A, B or C).

TEXT 1 – THE LION AND THE MOUSE

Part 1

One day, a lion caught a small mouse. The mouse asked the lion to let him go because he said he could help the lion one day.

1 Why did the mouse ask the lion to let him go?

A. He wanted to look for food.
B. He believed he could help the lion in the future.
C. He wanted to run away to another forest.

Part 2

The lion laughed because he thought the mouse was too small to help him. However, the lion decided to let the mouse go.

2 Why did the lion laugh at the mouse?

A. He thought the mouse was too small to be helpful.
B. The mouse was making a strange sound.
C. He thought the mouse was telling a funny story.

Part 3

A few days later, some hunters caught the lion in a net. The mouse heard the lion and quickly ran to help him.

3 What happened to the lion a few days later?

A. He chased after some wild animals.
B. He was trapped in a net by hunters.
C. He fell asleep under a big tree.

Part 4

The mouse bit the ropes and helped the lion get free. The lion was very happy because the small mouse had helped him.

4 How did the mouse help the lion get free?

A. He frightened the hunters away.
B. He called other animals for help.
C. He bit through the ropes.

Part 5

The story shows that small animals can help big animals. It also teaches us that being kind is always good.

5 What is the main lesson of the story?

A. Being kind to others is always important.
B. Large animals are always stronger than small ones.
C. Animals should stay away from people
