Cristiano Ronaldo

Cristiano Ronaldo has very strong determination. He used to train very hard since his childhood. He knew that a footballer requires good stamina because a football match requires a player to run at least 10 kilometers in a single match. Sometimes, he even trained himself continuously from morning until evening. He also challenged himself by playing along with older players.

He becomes so skillful and confident that his opponents cannot figure out how to stop Ronaldo from making a goal. Normal football players will use their single leg of their dominant side body, i.e. players of right-handed or left-handed use their respective legs to score goals but Ronaldo can easily use both of his legs efficiently to make goals. In addition to that, he can use his head to score goals as well.

He is also one of the fastest football players in football history. Ronaldo can run very fast, he can run with a speed of 33.6 kilometers per hour. That is why he is also known as a rocket man. This helps Ronaldo to do his famous free-kick. Ronaldo's free-kick speed is approximately 130 kilometers per hour.

While jumping, Ronaldo's G-force is five times higher than that of a cheetah. He can
