

1 Unit 1 – Descriptive Text

Read the text and answer the question.

R.A. Kartini was an Indonesian national hero who fought for women's rights and education. She was born on April 21, 1879 in Jepara, Central Java. Through her letters, she shared her ideas about the importance of education for women. Her bravery and dedication continue to inspire people in Indonesia and around the world.

What is the main idea of the text?

- A. Kartini's family background
- B. Kartini's struggle for education and women's rights
- C. Kartini's life in Central Java
- D. Kartini's letters to her friends

2 Unit 2 – Recount Text

Read the text and answer the question.

On August 17, 1945, Sukarno and Hatta proclaimed the independence of Indonesia at their house in Pegangsaan Timur, Jakarta. The event was attended by many Indonesian people who had been waiting for freedom after years of struggle.

When did the proclamation of Indonesian independence take place?

- A. On August 17, 1945
- B. On August 16, 1945
- C. On September 17, 1945
- D. On September 16, 1945

3 Unit 3 – Procedure Text

Read the text and answer the question.

How to Register for an e-KTP Online

1. Visit the official website of your local government.
2. Create an account using your NIK and email address.
3. Fill in the registration form.
4. Upload the required documents.
5. Submit the form and wait for verification.
6. Check the status of your application online.

What is the purpose of the text?

- A. To describe an e-KTP
- B. To entertain readers
- C. To explain how to register for an e-KTP online
- D. To persuade readers to make an e-KTP

4 Unit 4 – Narrative Text

Read the text and answer the question.

One day, Timun Mas was chased by a giant. She threw cucumber seeds, and suddenly a thick forest grew behind her. The giant could not pass through the forest, so she continued running. Then she threw salt, and a wide sea appeared. Finally, she threw a needle, and a tall mountain rose, stopping the giant forever.

Which sentence shows a fantasy element in the story?

- A. Timun Mas was chased by a giant.
- B. She threw cucumber seeds.
- C. A wide sea appeared.
- D. She continued running.

5 Unit 5 – Analytical Exposition

Read the text and answer the question.

It is time to reduce plastic waste. Single-use plastics are harmful to our environment. They pollute rivers and oceans, endanger marine life, and take hundreds of years to decompose. We should use reusable bags, choose eco-friendly products, and support recycling programs.

What is the writer's main purpose in writing the text?

- A. To tell a personal story
- B. To describe marine life
- C. To persuade readers to reduce plastic waste
- D. To explain how to recycle plastic

6 Unit 6 – Descriptive Text

Read the text and answer the question.

Borobudur Temple is one of the most famous historical buildings in Indonesia. It was built in the 8th and 9th centuries during the Sailendra Dynasty. The temple has nine levels and is recognized as a UNESCO World Heritage Site. Many tourists visit Borobudur to enjoy its amazing architecture and learn about Indonesian history.

What can be inferred from the text?

- A. Borobudur is a modern building.
- B. Borobudur is located in Central Java.
- C. Borobudur was built more than 1,000 years ago.
- D. Borobudur is the largest temple in the world.

7 Unit 7 – Recount Text

Read the text and answer the question.

Last month, I went to Mount Telomoyo with my friends. We left our houses at 2.00 a.m. by motorbike. We arrived at the base at 4.30 a.m. and performed the Subuh prayer. Then we rode to the top to watch the sunrise. Although the Sky Castle was already full, we still enjoyed the beautiful view and took many photos.

How did the writer feel about the trip to Mount Telomoyo?

- A. Disappointed because it was too far
- B. Tired and bored
- C. Excited and happy
- D. Worried about the weather

8 Unit 8 – Analytical Exposition

Read the text and answer the question.

Social media has many benefits for teenagers. It helps them stay connected with friends, get new information, and learn new skills. However, it also has negative impacts, such as addiction, cyberbullying, and low self-esteem. Teenagers should use social media wisely by setting time limits and choosing positive content.

What is the best conclusion for the text?

- A. Social media is only harmful for teenagers.
- B. Social media should be used wisely.
- C. Teenagers should stop using social media.
- D. Social media is not important for teenagers.

9 Vocabulary in Context

Read the sentence and answer the question.

The government is trying to preserve the historical building so that it can be enjoyed by future generations.

The word "preserve" has a similar meaning to ...

- A. destroy
- B. change
- C. protect
- D. ignore

10 Reference in Text

Read the sentence and answer the question.

Nayau and his friends worked together to build a water turbine. They used natural resources to bring electricity to their village.

What does "They" refer to?

- A. Nayau and his friends
- B. The natural resources
- C. The people in the village
- D. The water turbine

11 Unit 5 – Analytical Exposition

Read the text and answer the question.

Therefore, we should reduce plastic use in our daily lives. By bringing reusable bags, choosing eco-friendly products, and separating waste, we can protect our environment for future generations.

What is the writer's main purpose in this paragraph?

- To describe the harmful effects of plastic waste
- To persuade readers to reduce plastic use
- To explain how to recycle plastic
- To inform readers about future generations

12 Unit 3 – Procedure Text

Read the text and answer the question.

How to Register for an e-KTP Online

- Visit the official website of your local government.
- Create an account using your NIK and email address.
- Fill in the registration form.
- Upload the required documents.
- Submit the form and wait for verification.
- Check the status of your application online.

What should you do after creating an account?

- Visit the official website.
- Fill in the registration form.
- Prepare your NIK and email address.
- Check the status of your application.

13 Unit 2 – Recount Text

Read the text and answer the question.

We arrived at the base of Mount Telomoyo at 4.30 a.m. and performed the Subuh prayer. The air was very cold, but we were excited. We continued our journey to the summit by motorbike. The road was steep and windy, but the view was amazing.

How did the writer feel during the trip?

- Bored and disappointed
- Cold but excited
- Tired and sleepy
- Worried and nervous

14 Unit 4 – Narrative Text

Read the text and answer the question.

Timun Mas quickly threw the cucumber seeds behind her. Suddenly, a large tree grew and blocked the giant's way. She kept running and threw a handful of salt. A wide sea appeared, and the giant could not cross it. Finally, she threw a needle, and a tall mountain rose, stopping the giant forever.

Which statement is TRUE based on the text?

- Timun Mas fought the giant with a sword.
- The giant could not cross the sea.
- Timun Mas stopped to rest before throwing the needle.
- The giant turned into a tree.

15 Unit 6 – Descriptive Text

Read the text and answer the question.

Borobudur Temple is located in Magelang, Central Java. It is a magnificent Buddhist temple built in the 8th and 9th centuries during the Sailendra Dynasty. The temple has nine levels and is famous for its beautiful stone carvings and stupas. In 1991, Borobudur was recognized as a UNESCO World Heritage Site.

What can we infer from the text?

- Borobudur is a modern building.
- Borobudur is the largest temple in Asia.
- Borobudur is an important historical site.
- Borobudur was built in the 20th century.

16 Unit 7 – Recount Text

Read the text and answer the question.

When we reached the top, the Sky Castle was already full, so we could not enter. However, we still enjoyed the beautiful sunrise from another viewpoint. The sky turned orange and pink, and the view of the mountains and clouds was breathtaking. We took many photos and enjoyed hot tea while watching the scenery.

Why could the writer not enter the Sky Castle?

- It was too expensive.
- It was already full.
- It was under construction.
- It was closed for maintenance.

17 Unit 8 – Analytical Exposition

Read the text and answer the question.

Social media can be a useful tool for learning and communication. However, it also has negative impacts, such as addiction, cyberbullying, and low self-esteem. Teenagers should be wise in using social media by setting time limits, choosing positive content, and being aware of online risks.

Which of the following is the best conclusion of the text?

- Social media is only harmful for teenagers.
- Social media has both positive and negative impacts.
- Teenagers should stop using social media.
- Social media is not important.

"Knowledge today leads to a brighter tomorrow."

1

Unit 1 – Descriptive Text (MCMA)

Read the text and choose **TWO** correct answers.

Borobudur Temple is one of the most famous historical buildings in Indonesia. It was built in the 8th and 9th centuries during the Sailendra Dynasty. The temple has nine levels and is decorated with beautiful stone carvings and more than 500 Buddha statues. It is now a UNESCO World Heritage Site and attracts millions of tourists from all over the world.

Which **TWO** statements are **TRUE** based on the text?

- A. ☐ Borobudur was built in the 8th and 9th centuries.
- B. ☐ The temple has ten levels.
- C. ☐ There are more than 500 Buddha statues in the temple.
- D. ☐ Borobudur is a UNESCO World Heritage Site.
- E. ☐ It is located in East Java.

2

Unit 2 – Recount Text (MCMA)

Read the text and choose **TWO** correct answers.

Last month, I went to Mount Telomoyo with my friends. We left our house at 2.00 a.m. by motorbike. We arrived at the base at 4.30 a.m. and performed the Subuh prayer. Then we rode to the top to watch the sunrise. Unfortunately, the Sky Castle was already full, so we could not enter. However, we still enjoyed the amazing view and took many photos. The trip was tiring but very exciting and unforgettable.

Which **TWO** statements are **TRUE** based on the text?

- A. ☐ The writer went to Mount Telomoyo with her family.
- B. ☐ They left their house at 2.00 a.m.
- C. ☐ They could enter the Sky Castle.
- D. ☐ They watched the sunrise from the top.
- E. ☐ The writer felt tired but happy after the trip.

3

Unit 3 – Procedure Text (MCMA)

Read the procedure and choose **TWO** correct answers.

How to Register for an e-KTP Online

- 1 Visit the official website of your local government.
- 2 Create an account using your NIK and email address.
- 3 Fill in the registration form.
- 4 Upload the required documents (scan of Family Card and a photo).
- 5 Submit the form and wait for verification.
- 6 Check the status of your application online.

Which **TWO** steps must be done before submitting the form?

- A. ☐ Visit the official website of your local government.
- B. ☐ Fill in the registration form.
- C. ☐ Upload the required documents.
- D. ☐ Create an account using your NIK and email address.
- E. ☐ Check the status of your application online.

4

Unit 4 – Narrative Text (MCMA)

Read the text and choose **TWO** correct answers.

Timun Mas was a kind and brave girl. One day, she was chased by a giant who wanted to eat her. Her mother gave her a bag of magical seeds. As the giant came closer, Timun Mas threw the seeds behind her. The seeds grew into a thick forest, a wide river, and a tall mountain. Finally, she threw a needle, and a giant thorny forest appeared. The giant could not pass and gave up.

Which **TWO** statements are **TRUE** based on the text?

- A. ☐ Timun Mas was a brave girl.
- B. ☐ The giant wanted to be Timun Mas's friend.
- C. ☐ Timun Mas's mother gave her magical seeds.
- D. ☐ Timun Mas changed into a bird to escape.
- E. ☐ The giant could not pass the last obstacle.

5 Unit 5 – Analytical Exposition (MCMA)

Read the text and choose TWO correct answers.

It is time to reduce plastic waste. Single-use plastics are harmful to our environment. They pollute rivers and oceans, endanger marine life, and take hundreds of years to decompose. We should use reusable bags, choose eco-friendly products, sort our waste, and support recycling programs. Small actions, when done together, can make a big difference for a cleaner and healthier future.

Which TWO statements are TRUE based on the text?

- A. ☐ Single-use plastics are good for the environment.
- B. ☐ Plastic waste can harm marine life.
- C. ☐ Recycling programs are not important.
- D. ☐ Reusable bags can help reduce plastic waste.
- E. ☐ Plastic can decompose quickly in the ocean.

6 Unit 6 – Descriptive Text (MCMA)

Read the text and choose TWO correct answers.

R.A. Kartini Museum is located in Jepara, Central Java. It is the house where R.A. Kartini was born and spent her childhood. The building has a traditional Javanese design with a spacious yard and many historical collections, such as her personal belongings, letters, and photographs. The museum is a popular tourist destination because it shows the life and struggle of R.A. Kartini and inspires visitors, especially young people, to value education.

Which TWO statements are TRUE based on the text?

- A. ☐ R.A. Kartini Museum is in Central Java.
- B. ☐ The museum keeps many historical collections.
- C. ☐ The building has a modern design.
- D. ☐ It is a popular place for tourists.
- E. ☐ The museum shows R.A. Kartini's struggle for education.

7 Unit 7 – Recount Text (MCMA)

Read the text and choose TWO correct answers.

Last month, I went to Mount Telomoyo with my friends. We left our house at 2.00 a.m. by motorbike. We arrived at the base at 4.30 a.m. and performed the Subuh prayer. Then we rode to the top of the mountain. When we arrived at the Sky Castle, it was already full, so we could not enter. However, we still enjoyed the beautiful sunrise from another viewpoint. The view was amazing and we took many photos. Even though we were tired, we felt very happy and it was a memorable experience.

Which TWO statements are TRUE based on the text?

- A. ☐ The writer went to Mount Telomoyo with her friends.
- B. ☐ They entered the Sky Castle.
- C. ☐ They arrived at the base at 4.30 a.m.
- D. ☐ They enjoyed the sunrise from another viewpoint.
- E. ☐ They felt unhappy during the trip.

8 Unit 8 – Analytical Exposition (MCMA)

Read the text and choose TWO correct answers.

Social media has many benefits for teenagers. It helps them stay connected with friends, get new information, and learn new skills. However, it also has negative impacts, such as addiction, cyberbullying, and low self-esteem. Teenagers should use social media wisely by setting time limits, choosing positive content, and being aware of online risks. With the right attitude, social media can be a useful tool for learning and communication.

Which TWO statements are TRUE based on the text?

- A. ☐ Social media can help teenagers learn new skills.
- B. ☐ Social media only has positive impacts.
- C. ☐ Cyberbullying is a negative impact of social media.
- D. ☐ Teenagers should ignore online risks.
- E. ☐ Setting time limits can help use social media wisely.

1 Unit 1 – Analytical Exposition

Read the text and decide the category of each statement.

Renewable energy, such as solar, wind, and hydro power, can help Indonesia reduce its dependence on fossil fuels. By using clean energy, we can decrease carbon emissions and create a healthier environment. The government should invest more in renewable energy to ensure a sustainable future for the next generation.

Statements	A. Fact	B. Opinion	C. Inference
1. Indonesia can reduce its dependence on fossil fuels by using renewable energy.	☐	☐	☐
2. Renewable energy is the best solution for all environmental problems.	☐	☐	☐
3. The writer believes the government should invest more in renewable energy.	☐	☐	☐

2 Unit 2 – Procedure Text

Read the text and decide the category of each statement.

How to Register for an e-KTP Online

1. Visit the official website of your local government.
2. Create an account using your NIK and email address.
3. Fill in the registration form.
4. Upload the required documents (scan of Family Card and a photo).
5. Submit the form and wait for verification.
6. Check the status of your application online.

Statements	A. Fact	B. Opinion	C. Inference
1. You need a NIK and email address to create an account.	☐	☐	☐
2. Registering for an e-KTP online is faster than the offline method.	☐	☐	☐
3. The government wants to make the e-KTP registration easier for citizens.	☐	☐	☐

3 Unit 3 – Recount Text

Read the text and decide the category of each statement.

Last month, I went to Mount Telomoyo with my friends. We left our house at 2.00 a.m. by motorbike. We arrived at the base at 4.30 a.m. and performed the Subuh prayer. Then we rode to the top of the mountain. Although the Sky Castle was already full, we still enjoyed the beautiful sunrise. The cool weather and amazing view made the trip very memorable.

Statements	A. Fact	B. Opinion	C. Inference
1. The writer and her friends left their house at 2.00 a.m.	☐	☐	☐
2. The sunrise at Mount Telomoyo was the most beautiful in the world.	☐	☐	☐
3. The writer felt the trip was memorable because of the cool weather and amazing view.	☐	☐	☐

4 Unit 4 – Narrative Text

Read the text and decide the category of each statement.

Timun Mas was a kind and brave girl. She wanted to escape from the giant who always tried to eat her. Her mother gave her magical seeds that could turn into a wide river, a tall mountain, and a giant thorny forest. With courage and cleverness, Timun Mas threw the seeds one by one until the giant could not follow her. Finally, she escaped and lived a peaceful life.

Statements	A. Fact	B. Opinion	C. Inference
1. Timun Mas received magical seeds from her mother.	☐	☐	☐
2. The giant was a very evil and frightening character.	☐	☐	☐
3. Timun Mas could escape because she was brave and clever.	☐	☐	☐

5 Unit 5 – Analytical Exposition

Read the text and decide the category of each statement.

Social media has become an important part of teenagers' lives. It helps them stay connected, learn new things, and express their creativity. However, it can also cause problems, such as addiction, cyberbullying, and low self-esteem. Teenagers should use social media wisely by setting time limits, choosing positive content, and being aware of its risks.

Statements	A. Fact	B. Opinion	C. Inference
1. Social media helps teenagers stay connected and learn new things.	☐	☐	☐
2. Social media is more harmful than beneficial for teenagers.	☐	☐	☐
3. The writer suggests that teenagers should use social media wisely.	☐	☐	☐

"Read carefully, think logically, and choose the best answer."
