Questions 21–26

For each question, choose the correct answer.

A SHORT FILM ABOUT OUR TOWN

Last month, our school decided to make a short film about our town. A group of students worked together, and each student had a different job.

Emma was responsible for the actors. She helped them prepare for each **(21)** _____ before the audience arrived and made sure they knew what to do. Another group looked for interesting places to film. They found several **(22)** _____ buildings in the town centre that had been there for hundreds of years, as well as an old castle near the river.

The students also wanted to show the natural environment around the town, so they filmed some local **(23)** _____, including birds and other wild animals in a large park.

Tom was interested in filmmaking, so the teacher asked him to **(24)** _____ the film. He worked closely with the actors and camera team.

When the film was finished, the students put it online. They could **(25)** _____ it on their social-media pages, so more people could watch it.

After the project, the students met at a café to **(26)** _____ each other and talk about their experience.
