A SCHOOL FILM PROJECT

Hi Emma,

I wanted to tell you about a film project we did at school last week. We made a short film about our town, **(27)** _____ was shown at a school event on Friday.

First, we filmed an old castle near the town centre. **(28)** _____ castle is more than 300 years old, so it was a great place for the film. We also filmed some local wildlife in a nearby park.

The film **(29)** _____ directed by our English teacher, who gave us lots of useful advice. Before the final version was shown, we **(30)** _____ already made several changes to it.

The final film was much better **(31)** _____ our first version, and everyone was pleased with the result. Our teacher **(32)** _____ us that we had done a great job.

It was a really interesting experience, and I'd love to make another film one day.

Write soon,
Tom
