READING - Read the text and choose the correct answer

Hi! My name is Marco and I'm ten years old.

I live in a flat with my mum, dad and my older sister.

On school days, I wake up at a quarter past seven and I have breakfast at half past seven. I usually have milk and bread. I go to school by bus and lessons start at a quarter past eight. At school, I like English and PE, but I don't like History. My favourite day is Tuesday because we have Art.

School finishes at half past three. After school, I do my homework and then I play football with my friends.

When the weather is rainy, I usually stay at home and read a book. I never watch TV. I have dinner at eight o'clock and go to bed at half past nine.

At the weekend, I visit my grandparents or ride my bike in the park.
