

WORKSHEET ACTIVITY

Read about Marc Zuckerberg and answer the following questions.

Mark Zuckerberg (1984-), Facebook co-creator, was a student at Harvard University. He

worked on a social network site with some college roommates. They created a website called Facebook®. The site helped people to communicate through different types of files such as pictures and messages. Zuckerberg left college to work in his company. Nowadays, Facebook is available in some digital devices such as computer, tablet, cellphone, and smart TV. The

site grew very big, and today it has more than three million users. Facebook attracted other companies that wanted to do business online.
