

Similar Triangles

Complete the proofs to show whether the following triangles are similar.

Determine whether the triangles shown are similar.

Corresponding Sides	Corresponding Angles
BA and	BAC and
BC and	BCA and
AC and	ABC and

$$\angle \text{BAC} = \angle$$

$$\frac{\text{Side BA}}{\text{Side}} = =$$

Scale Factor:

$$\frac{\text{Side}}{\text{Side}} = =$$
