A Rainy Day in Town

Lily and her friend Tom live in a small town. Last Saturday, they went into town together. The weather was sunny, so they decided to walk to the shops. Lily wanted to buy a DVD to watch with her family.

When they arrived at the shops, the sky became dark and it started to rain. Lily and Tom went into a small shop to stay dry. They looked at some DVDs and chose a funny film. Tom paid for the DVD while Lily waited near the door. After a few minutes, the rain stopped.

The two friends walked home together. In the afternoon, Lily watched the film with her family in the living room. Tom went home and helped his mother make lunch. They both enjoyed their Saturday, even though the weather changed.
