Finally, put the food on the plate and serve to your friends. Add salt and pepper if you wish.

TIP 23

You might be asked to write about a process in the exam so it is important to practise linking your ideas together. Look at the sequencing words highlighted in Exercise 21 to see how the parts of the instructions are linked.

WRITING: FOOD IN YOUR COUNTRY

- 26** Use the information from this unit to write an essay about a meal that is popular in your country or one that you enjoy.

In your essay, you should include:

- what ingredients you need.
- the instructions about how you make it.
- the reasons why it is popular.

MODEL ANSWER

My favourite meal is spaghetti Bolognese. To make spaghetti Bolognese, you need minced beef, onions, garlic, a can of chopped tomatoes and pasta. First of all, you need to chop the onions and garlic and fry them until they are soft. After this, you add the minced beef and cook it until it is brown. Next, you need to add the chopped tomatoes and continue cooking. While it is cooking, you need to boil some water. When the water is ready, add the pasta and boil it for about 11 minutes. After this, put the pasta on plates and add the sauce. Finally, put some cheese on top and salt and pepper if you want and it is ready to eat.

Spaghetti Bolognese is my favourite dish because it is simple to make and is very tasty. I think that it is popular because it tastes so good. There are also many different ways to make it and you can use more vegetables or different types of pasta, so everyone can enjoy it.
