

BOOKS VS MOVIES

Complete the text with the best expression given.

Adapting a book into a movie is not always easy. Some people believe that books are always better. (1) _____, some movie adaptations are just as good as the original stories.

Books allow readers to imagine characters and places for themselves, (2) _____ movies show them as the director envisions them.

A good adaptation can entertain audiences, (3) _____ introduce them to stories they might never have read. (4) _____, talented actors can bring characters to life in unexpected ways.

(5) _____ the changes made to the original story, fans often have strong opinions. Some want the movie to follow the book closely. (6) _____, others believe directors should have more creative freedom.

Directors need to make difficult decisions. (7) _____, they cannot include every scene from a long novel in a two-hour movie. They need to choose the most important parts; (8) _____, the film might become too long or confusing.

Still, a movie doesn't have to be perfect. (9) _____, it can encourage people to read the original book. (10) _____, even when an adaptation changes some details, it can still be enjoyable.
