

Typing Practice: Pavlova

Name: _____ Date: _____

1. Read the text. Type it in the space below.

Pavlova is a popular dessert in Australia and New Zealand. People often call it “pav”. It is a sweet dessert made with egg whites and sugar. It has a crisp outside and a soft centre. The centre is soft like a marshmallow.

People usually put whipped cream and fresh fruit on top. They can use strawberries, kiwi fruit, passionfruit, peaches or nectarines. The colourful fruit makes the pavlova look beautiful. Some people also pour a little fruit syrup over the top.

Pavlova can be one large dessert or several small desserts. People often share it with family and friends at parties, birthdays and Christmas celebrations. It is a special treat that many people enjoy.
