Hi Celia,

I went to Italy on holiday! We arrived last week.

The weather was very hot and sunny.

I went to the beach with my family every day.

We swam in the sea and played beach volleyball.

In the afternoons, we often ate ice cream and relaxed.

In the evenings, we loved walking around the city.

We ate pasta in so many restaurants!

I really enjoyed my holiday. How was yours?

See you soon!

Greta

Additional Information: This resource has been made for the purpose of teaching English language learners. We know that students can be learning English in many different places, in many different ways and at any age, so we try to keep these resources as general as possible.

There are many acronyms associated with English language teaching. These include (but are not limited to) ELT, TEFL, EFL, ELL, EAL and ESOL. While the term ESL may not fully represent the linguistic backgrounds of all students, it is the most widely recognised term for English language teaching globally. Therefore, we use the term 'ESL' in the names of our resources to make them easy to find but they are suitable for any student learning to speak English.
