Score: _____ / _____

READING PART

3. A) READ

African Forest Elephants

African forest elephants live in the rainforests of Africa. They are smaller than savanna elephants. They have round ears and straight tusks.

They eat fruit, leaves, grass, and tree bark. They spread seeds that help new trees grow.

This is why they are called the “gardeners of the forest.”

They are critically endangered, so we must protect them.

B)
