

MINI VLOG PROJECT

Project title: A Day in My Life as an 11th Grader

Learning objective

Students will be able to organize and present their daily routines using the simple present tense, adverbs of frequency, time expressions, and chronological connectors.

Part A. Plan Your Mini Vlog

Complete the organizer before recording.

Time	Guiding Questions	My Notes
Morning	What time do you wake up? What do you do first?	_____
School hours	How do you go to school? What do you do at school?	_____
Afternoon	What do you do after school?	_____
Evening	What do you do after dinner? What time do you sleep?	_____

Part B. Organize Your Script

Use the following structure to organize your mini vlog.

1. Opening
Introduce yourself and your topic.
2. Morning routine
Explain what you do after waking up.
3. School and afternoon routine
Describe your activities during and after school.
4. Evening routine
Explain what you do in the evening and before sleeping.
5. Closing
End your vlog with a short closing statement.

Part C. Language Requirements

Your mini vlog should include:

- Simple present tense, such as I wake up, I study, and I go to school.
- At least three adverbs of frequency, such as always, usually, often, sometimes, or rarely.
- Time expressions, such as at five o'clock, in the morning, and after school.
- Chronological connectors, such as first, then, after that, and finally.
- An opening, a logical sequence of activities, and a closing.

Part D. Recording Guidelines

1. Record a video lasting 1–2 minutes.
2. Speak clearly and use English throughout the presentation.
3. Explain your real daily routine using your own words.
4. You may use your script as a guide, but try not to read every sentence directly from the paper.
5. You do not need special equipment. A smartphone and a quiet place are enough.
6. Review your video before submitting it through Google Classroom.

Part E. Self-Assessment Checklist

My video lasts 1–2 minutes.

I will describe my routine from morning until night.

I use the simple present tense correctly.

I include at least three adverbs of frequency.

I use time expressions and chronological connectors.

I speak clearly and understandably.

I include an opening and a closing.

I review my video before submitting it.
