Living in the country is something that people from the city often.....about. However, it has both advantages and disadvantages.

There are many advantages of living in the country. First, you can enjoy peace and quietness. Moreover, people tend to be friendlier. A further advantage is that there is less traffic, so it is safer for young children.

However, there are certain to life outside the city. First, because there are fewer people, you are likely to have few friends. In addition, entertainment is difficult to find, particularly in the evening. Furthermore, there are fewer shops and so it is quite hard to find jobs. As a result, you may have to travel a long way to work, which can be extremely

In conclusion, it can be seen that the country is often the best place for those who are retired or who have young children. In young or single people who have a career are better provided for in the city.
