6 15 Complete the sentences with the words in bold in Exercise 5. Then listen and check.

1. When you first or the building, the reception desk is on your left.
2. You're on the ground floor, so take the lift to the 6th floor.
3. The meeting is on the second floor and we're on the fifth floor. Let's take the stairs
4. I didn't the lift on the right floor and ended up back at Reception!
5. Hi, I'm Paradise Communications. Do you know which floor they are on?
6. When you the building through those doors, there's a cafeteria on the left.
7. the lifts on your left and turn right.

7 Read the sentences and look at the floor plan below. Find two mistakes and correct them.

1. Take the lift to the first floor. Room 101 is on your right.
2. The video conference room is opposite the lift on the first floor.
3. Go up the stairs to the second floor. Turn left. The Marketing Department is next to the Accounting Department.
4. Go straight when you leave Room 202. R&D is at the end of the corridor. It'll be the third door on your right.

Your Turn

In turns, one student is the receptionist at the ground floor reception desk and the other student is a visitor. Act out dialogues asking for and giving directions. Use the floor plans in Exercise 7.

Visitor 1 wants to have lunch in the cafeteria.

Visitor 2 has got a meeting with a technician in the lab.

Visitor 3 has got a meeting with an accountant.

Visitor 4 is starting a job as a telemarketing representative today.

Visitor 5 is looking for a job in the company.

Visitor 6 is a customer and he / she has got a problem with an item he / she ordered.
