My Home in a Tree

Hi! I'm Lily and I'm eleven. I live with my mum, my dad and my little brother Sam in a very unusual house — it's in a huge tree! The house is near a river, so it's never noisy. Only the birds sing in the morning.

You go up a spiral staircase to get inside. Our house has got three small rooms: a living room, a bedroom and a tiny kitchen. There isn't a dishwasher or a washing machine, but there is a small fridge and a cooker. There isn't an oven, either, so we can't bake cakes. That's because the kitchen is very small!

Every morning I eat cereal with milk. My dad loves Chinese food, so we sometimes eat noodles with chopsticks. In the living room there are two armchairs with colourful cushions and a big mirror on the wall. There aren't any bookcases — our books are in a box under the bed. And our house is safe: it's earthquake-proof! I love my home!
