5) How many are there at your school?

There is/ There are one.

6) How many are there at your school?

There is/ There are two.

6. Read the text and decide if the sentences are TRUE or FALSE

My name is Minh. I am a student. My school is in the village. It's big and new. There are three buildings at my school. There are two big playgrounds and a small garden. There is a large computer room with sixty computers. I love the art room the most because I like drawing. There is an art room next to the music room. At break time, we often grow flowers in the garden and play in the playgrounds. I love my school very much.

- | | |
|--|--------------|
| 1. Minh' school is in the city. | True / False |
| 2. His school is new and big. | True / False |
| 3. There are two buildings at his school. | True / False |
