ENG HUB

EXTRA TASK

Rewrite each sentence using one expression from the lesson. Keep the original meaning and change the form where necessary.

1. I felt extremely embarrassed when I shared my screen and everyone saw my search for "how to survive a boring meeting".
2. I made an insensitive remark about how easy the exam had been before discovering that Sam had failed it.
3. Without thinking, Maya shouted the answer to the riddle before anyone else had a chance to solve it.
4. The radio host treated mispronouncing the guest's surname as a joke and continued with the interview.
5. The couple's public argument about who had liked whose social media post was painfully embarrassing to watch.
6. I could not get any words out when the customs officer asked why my suitcase contained twenty identical mugs.
7. I wanted to disappear when I confidently got into a stranger's car, thinking it was my taxi.
8. Chloe misunderstood the atmosphere and began criticising the project while the rest of the team were celebrating its successful launch.
