WONDER: READING COMPREHENSION WORKSHEET

Excerpt: "Ordinary" (Part 1 - August)

"I know I'm not an ordinary ten-year-old kid. I mean, sure, I do ordinary things. I eat ice cream. I ride my bike. I play ball. I have an X-box. Stuff like that makes me ordinary. Inside. But I know ordinary kids don't make other ordinary kids run away screaming in playgrounds. I know ordinary kids don't get stared at wherever they go. If I found a magic ring, I would wish that I had a normal face that no one ever noticed at all. I would wish that I could walk down the street without seeing people make faces. Here's what I think: the only reason I'm not ordinary is that no one else sees me that way."
