

AI DETECTIVES | Mission 4: Steps in Order

Name: _____ Class: _____ Date: _____

Learning intention: I can give clear instructions in the correct order.

1 Make luqaimat! Number each step 1-4.

Write 1, 2, 3 or 4 in each box. Use the pictures to help you.

[] Drizzle date syrup

[] Mix the dough

[] Serve the luqaimat

[] Fry the dough balls

2 Fix the muddled instructions!

A helper gives these instructions:

FRY > MIX > DRIZZLE > SERVE

Circle the first step that needs to happen. Then finish:

First we must _____ before we can fry.

3 Be the human robot! Work with a partner.

Tell your partner how to travel on the Metro. Number the steps 1-3.

[] Ride the Metro [] Tap out [] Tap in

Partner check: Say the steps aloud in order. Did they make sense?

Circle: **YES** **NOT YET**

4 Explain your thinking

The order matters because _____

EXTRA CHALLENGE: What could happen if we tap out before we ride?

My learning: [] I can order steps [] I can fix a mistake [] I need help
