Kings' Restaurant
The food was pretty good here, but the service was bad. We waited 40 minutes for our main dish. The chicken was good, but it was cold. My girlfriend ordered squid, but she got crab. The food was cheap, but I don't think we're going back again.

New York Grill
Great place to eat! The food and service were excellent. The lamb chops, chicken, and steak were our favorite dishes. But my wife wasn't happy because there wasn't any fish, crab, or squid on the menu. And there weren't many choices for desserts. It wasn't cheap, but the food was good, so we definitely plan to go back!

Rosa's Café
The service was good, but the main dishes weren't great. My fish was dry, and the rice was watery. There are lots of great desserts, though. I loved the cheesecake, and the plantain ice cream was interesting. The food is a little expensive, so I'm not sure I'd go back.
