Peter's unusual weekend

Last week I visited one of my friends. His name is Tom and he lives in a big house out of the city. My dad drove me there on Friday evening and he went back to our house in the city. First, I met Tom's parents. They were very friendly. They showed me my room and helped me unpack my clothes. Then, we had a big dinner together. After dinner, we watched TV and played computer games. Tom and I didn't go to bed early because the game was very exciting.

Next day, we didn't get up early. Tom's mum prepared breakfast for us. After breakfast, we went for a walk in the forest. It was very big and quiet. After a long walk, we arrived at a lake and ate sandwiches. We also swam in the lake. The water was cold but it was very clean. We continued walking in the forest. After a couple of minutes, we found a cave. It was very dark so we didn't enter. Then, we turned back home. We were so hungry and dinner was waiting for us.

In the evening, we didn't want to play computer games because we were very tired. We went to bed very early and fell asleep immediately. In the morning, we got up at 11 o'clock. My dad came to take me home at 12 o'clock. I had a great time with Tom and his family. It was an unusual weekend for me.
