

STORM PREPARATION WORKSHEET

Name: _____

Date: _____

Part 1: Storm Essentials (What to Buy)

- **Bottled Water:** Essential for hydration during power or water outages.
- **Canned Food:** Non-perishable items that do not require cooking or refrigeration.
- **Flashlight:** Provides emergency lighting when power goes out.
- **Batteries:** Needed to power flashlights, radios, and other emergency devices.
- **First-aid Kit:** Contains medical supplies to treat minor injuries.

Part 2: \$30 Budget Shopping List Activity

Instructions: Calculate the total price of all items from the shopping list below to check if it fits within the **\$30 budget limit**.

Our Shopping List	Price
1.	
2.	
3.	
4.	
5.	
TOTAL	\$ ____ / \$30

Reflection Questions

1. Addition Step: Add the price of all items together:

$\$5 + \$7 + \$4 + \$3 + \$11 = \$$ _____

2. Budget Check: Does the total cost fit within the \$30 budget?

☐ Yes ☐ No

3. Decision Making: If you had to stay strictly under \$30 or adjust the list, which item would you change or prioritize? Explain your reasoning.
