The Top Three Annoying Things My Little Brother Does

by Archie Naylor, 15, Liverpool

Number 1: Thinks he knows everything about everything

I'm sitting in the living room of my house with three friends, and we're chatting about music. I have a thirteen-year-old sister, and she's great. She's not like my brother Pete. He's twelve years old, and he comes into the room, and starts talking about hip-hop! I can't stand this kind of music! We are into rock. He thinks he knows everything because he often watches videos on the internet.

Number 2: Always wants to do the same things as me

Every Saturday, I play football in the park with my friends from 3 p.m. until 8 p.m. My brother always wants to come with me. Mum tells me to take him so he can ride his bike. But he doesn't ride it for long. He only rides it for fifteen minutes, and we have to watch him all the time to make sure he's safe.

Number 3: Never listens when I tell him what to do

I'm not a bossy person, but sometimes I really need to tell my little brother what to do!
And does he ever listen to me? Guess!
But, I love him because he's cheerful and kind.
And he's my only brother!
