Activity 3

Think Connect Explore!

What do these symbols mean?
Match.

Beyond the bell	Students learn about the things that interest them beyond the subject area.
Beyond the grade level	Bring the world to the students and bring your students to the world.
Beyond the tools	Students continue the work that interests them beyond the final assessment.
Beyond the due date	Students continue to learn and dig deeper into their learning on their own terms.
Beyond the walls	Use tools in alternative ways beyond the original purpose.
