Fill word

Last month, our teacher asked us to **(1)** _____ a special event at school. The main purpose was to introduce different cultures and traditions from around the world.

First, we needed to ask for **(2)** _____ from the school principal before making any plans. Then, we started preparing activities for students. We wanted to offer **(3)** _____ interesting activities, including traditional games, music and food.

At first, planning the event was quite **(4)** _____ because there were so many things to consider. However, we learned how to **(5)** _____ to different situations and work together as a team.

During the preparation, I had to **(6)** _____ on my tasks because I was responsible for designing posters. I also helped my friends **(7)** _____ a beautiful decoration for the school hall.

On the day of the event, many students came to visit. I was happy to see that everyone was enjoying themselves. **(8)** _____, the weather was sunny, so we could organise some outdoor activities.

One of the most exciting moments was when students had the chance to **(9)** _____ traditional dances on stage. I could **(10)** _____ how excited the audience was, especially when their friends were performing.

There were many different activities, and the event was popular **(11)** _____ students and teachers. Although some activities did not go as planned, they did not **(12)** _____ the overall success of the event.

At the end of the day, our teacher praised us for the good **(13)** _____ of our work. She said that we had made our school a more interesting place. Although I was very nervous, I decided to **(14)** _____ that I was confident so that nobody would notice my fear. It was definitely a memorable experience in my school life.
