10. **Activities At The Mall**

The West Edmonton Mall in Canada is the largest mall in North America and the tenth largest mall in the world. This enormous mall has over 800 stores including a department store, a market, a grocery store, and many other specialty stores. There are about 100 restaurants and over 20,000 car parking spaces.

If you want to do some fun activities, there is a waterpark, an amusement park, an ice rink, a mini-golf course, a movie theater, and more. The waterpark has twenty different waterslides and the world's largest indoor wave pool. The water is always warm so you can go swimming in any season. Galaxyland is the name of the amusement park. It has 27

LIVEWORKSHEETS

rides and many different games to play. The ice skating rink is in the middle of the mall. You can watch people ice skate from the balconies above the rink.

There are restaurants with food from around the world including Japanese, Korean, Chinese, Italian, and French food. There are also two food courts if you and your family can't decide on which restaurant you all want to eat at
