/ 6

G Reading: Referencing

Six sentences are missing from this text. Choose the correct sentence for each gap. There are three sentences you do not need.

Our food and our planet

More and more people are realizing that we need to change the way we live because the Earth cannot support it. For example, the distance food travels before it reaches our plates matters because it contributes to global warming.

Imported food usually starts the trip on a boat or a plane. [1] ___ From there, it often travels to our kitchens by car. This, of course, means using even more fuel.
