FRANKENSTEIN

GRAMMAR CHECK

Adverbs of manner

We use adverbs of manner to talk about how we do things.

The monster went hungrily out into the forest.

The girl suddenly fell into the river.

We make adverbs from adjectives by adding –ly.

sudden – suddenly

For adjectives that end in –y, we change y to –ily.

hungry – hungrily

6 Write the adverbs of these adjectives.

a slow ....slowly....

b quick.....

c blind.....

d happy.....

e wrong.....

f bad.....

g angry.....

h careful.....

7 Complete each sentences using an adverb from Activity 6.

a The monster ....slowly.... learnt to read. This took many weeks.

b The monster hated being alone. It needed friends..... .

c With smiles on their faces, they went out..... for a walk.

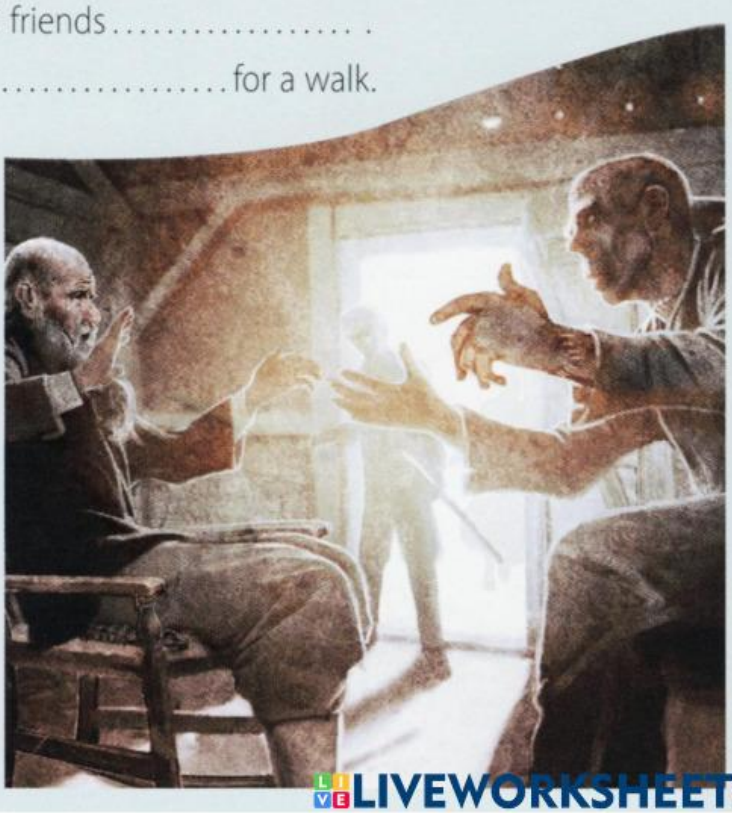

d The old man saw nothing. He sat ..... by the fire.

e He listened..... to the monster and asked many questions.

f 'A monster's attacking that girl!' the young man thought,..... .

g 'Grrr!' the monster cried ....., and then it strangled William.

h It..... put the locket in her pocket. This took no time at all.
