VOCABULARY & GRAMMAR (14 questions)

I. Read the text and circle the correct answer.

Minh's Mid-Autumn Festival

Minh is a 12-year-old boy who lives in Hanoi, but his relatives live all over the country. **Once in a blue moon**, the whole family gets together, and this year's Mid-Autumn Festival was one of those special times. This year, Minh's great-grandparents came to stay for a week. They told him stories about his ancestors, who settled in a small village by the river more than 150 years ago. Minh listened carefully because he loved the stories.

On the night of the festival, **everyone got dressed up** and went to the courtyard of the local temple. The children carried colourful lanterns in a long **procession** through the streets. The star-shaped lanterns symbolise good luck, and the whole community helped to make the decorations. Minh's grandfather, who is elderly but full of energy, gave him a beautiful new lantern. This made Minh's day. Later, **Minh and his cousins had a whale of a time** playing games and eating mooncakes.

At the end of the evening, the family exchanged gifts. It is a tradition in Minh's family, and he can't wait for next year.
