TASK A Match each adjective with its opposite:

1. dangerous → _____
2. comfortable → _____
3. expensive → _____
4. fast → _____
5. spacious → _____
6. empty → _____

TASK B Choose and underline the best adjective for each sentence:

1. Traveling by bullet train is very **fast / slow**, so you arrive quickly.
2. Modern airplanes have wide seats, making long flights **comfortable / uncomfortable**.
3. A local bus in rush hour is usually very **empty / crowded** .
4. A tiny, packed subway car can feel a bit **cramped / spacious**.
5. Cycling without a helmet on a main road is **safe / dangerous**.
6. Taking a private taxi is much more **cheap / expensive** than the bus.

TASK C Complete the story using the correct form of the adjective in brackets:

Last summer, my family and I went on a holiday to the seaside. First, we decided to travel by coach bus. It was much 1.(cheap) than taking the train, but it was also much 2.(slow). Inside, the seats felt a bit 3.(cramped) than on the train, and by afternoon, it became the 4.(crowded) bus trip of the entire summer. Sitting in the middle of all the people for hours felt very 5.(uncomfortable).

For our journey home, we decided to hire a rental car instead. Driving on the busy motorway felt a little 6.(dangerous) than riding the bus, but it was much 7.(fast) and saved us a lot of time. Best of all, our car was very 8.(spacious) with big soft seats. Overall, taking the car was the 9.(safe) and 10.(comfortable) way for us to travel!
