Przeczytaj tekst, a następnie zaznacz T (True - Prawda) lub F (False - Fałsz).

Poland is located in Central Europe. The national symbol of Poland is the White Eagle, and the national flag is white and red. The capital city of Poland is Warsaw, which lies on the longest river, the Vistula. In the south of Poland, you can visit the Tatra Mountains and see the highest peak, Mount Rysy. In the north, travelers enjoy the Baltic Sea and look for amber on the beach. Poland is also famous for its nature, including the Białowieża Forest with European bisons and storks in the countryside.
