HENRY'S FAVORITE TV PROGRAM

TV program is a program of entertainment or enlightenment telecast by television. Television is a wonderful invention of modem science. It has brought the world closer to us.

The most popular TV programs are songs, dances, dramas, films, games, and sports, etc. Many people like these programs because they are highly entertaining. But I like the programs on Discovery Channel because they are entertaining, educative and informative.

There are different educative and informative programs on Discovery, but the TV program that fascinates me most is "Wild Life". I like this programme very much. "Wild Life" shows all the real things: real tigers, real whales, real lions, and real jungle.

I enjoy the program as a means of entertainment and learn many things from the commentary of the program. Wildlife, their food habit, their living place, nature, threats are described during the program. These descriptions enrich my knowledge about wildlife and forest.

I like such programs and suggest my friends watch them. A lot of thanks to Discovery Channel for such a nice program.

WHO WANTS TO BE A MILLIONAIRE?

One of the most popular quiz programmes on television in the world is called *Who Wants To Be A Millionaire?* In Britain, the quizmaster is Chris Tarrant. He asks the contestants fifteen questions. The first questions are easy, but later, they are more difficult. If you can answer the fourteenth question, you can win £500,000. You can win a million pounds if you can answer the last question. Of course, the last question is very difficult.

All the questions on *Who Wants To Be A Millionaire?* are multiple-choice questions. After you hear the question, you see four answers. Only one answer is correct. You have to choose the correct answer. If you don't know the answer to a question, there are three ways you can get help: you can ask the quizmaster to take away two wrong answers; you can ask the studio audience which answer is right, or you can telephone a friend and ask for help. You can only do these things once. Very few people win the million pounds. The first person won a million pounds one year after the programme started.
