Lily is 10 years old. She loves playing with her dog and drawing pictures. One day, her big brother Max shows her a model airplane.

'Cool! Is it your airplane?' Lily asks.

'Yes,' Max says. 'I build model airplanes. It's my hobby.'

Lily wants a hobby, too. She is thinking... What does she like? She loves animals and reading books.

'I've got it!' Lily says. 'I can read about animals and draw them!'

She goes to the library with her mum and finds books about lions, dogs, and birds. At home, she reads the books and draws the animals.

Soon, her room is full of colourful animal art. Max sees her drawings and says, 'Wow! They look real!'

Lily smiles, 'Thanks! Drawing animals is my new hobby!'

Now Lily reads, draws, and learns about animals every day. She loves her hobby and feels happy.
