Part 1: Listening & Sentence Completion (Direct quotes from the clip)

Complete the gaps using the correct third conditional form of the verbs in parentheses.

1. *"If I _____ (know) the last time I saw you would be the last time, I _____ (stop) to memorize your face..."*
2. *"If I _____ (know) the last time I kissed you would be the last time, I never _____ (stop)."*

Part 2: Comprehension & Contextual Transformation

Based on the characters' dilemma in the video, complete the sentences with the correct affirmative or negative third conditional form.

1. **Situation:** They both knew they wanted different things, so they decided to separate.

- *"If they _____ (want) the same things, they _____ (not / break up)."*

2. **Situation:** Mike didn't expect that to be their final goodbye, so he didn't do anything special.

- *"If Mike _____ (realize) it was a permanent goodbye, he _____ (cherish) that moment more."*

3. **Situation:** Phoebe agreed to let him go easily because she thought they had no choice.

- *"If Phoebe _____ (fight) for the relationship, things _____ (turn out) differently."*

Part 3: Interactive Challenge (Matching / Drag & Drop)

Match the condition (If-clause) with its correct hypothetical outcome (Main clause):

A. If I had stayed a little longer... [_]

B. If we had communicated better... [_]

C. If I had taken a picture... [_]

Options:

1. ...I would have remembered every detail of your smile.
2. ...we would have found a solution together.
3. ...we wouldn't have said goodbye so fast.
