School Objects and Clothes

Tom and Lucy are in Year 4. Today is a special day at school. There is a treasure hunt!

First, they find a clue in the library. The clue says, "Look for something blue. It's not a book." Tom looks around and sees a blue jacket on a chair. "Great!" he says. "Let's go to the next place."

Next, they go to the playground. Another clue says, "Find something you can wear. It has a star." Lucy notices a cap with a star on it. "This must be it!" she says happily.

Finally, they reach the classroom. They find a big box. Inside the box are new notebooks, pencils and erasers for their class. What a wonderful day!
