A Busy Week in London

Hello! My name is Lucas, and I am twenty-four years old. I am from Spain, so I am Spanish, but now I live in London with my sister, Elena. From Monday to Friday, I usually wake up at half past six (6:30 a.m.) and have breakfast at seven o'clock. I work in a big hospital next to the central park. Elena is a student; she doesn't wake up early because her classes start at ten o'clock. In our free time, we love doing sports. I can swim very well and I enjoy playing soccer on Saturdays, but I can't play tennis. Elena hates playing soccer, so she always goes to the gym. On Sunday afternoons, we sometimes go to a cozy café near our apartment to drink hot coffee and eat some delicious cake.
