A DAY AT THE ZOO

On Saturday, Leo went to the zoo with his parents and his sister, Emma. They watched a film about wild animals first. Leo liked the crocodiles best because they were big and interesting. Emma was frightened, so she watched the pandas instead.

On Monday, Leo's teacher asked the class to write a short story about an animal. Leo wrote about the crocodiles and the pandas. He finished his story at home that evening.

The next day, Leo read his story to his classmates. They asked him questions and enjoyed listening to him. At the weekend, Leo went back to the zoo with his family. This time, Emma was happy to look at the crocodiles with him. Leo wants to work with animals when he is older.
