# PART 4 – 10 QUESTIONS –

**Read the text. Choose the right words and write them on the lines.**

Name: _____ | Class: _____ | Date: _____

## Our Animal Friends

Animals can help people in many different ways. They can help people in their homes and in their daily (1) _____. They can also save people when they are in danger, for example in the mountains or in the sea.

When people think of animal helpers, most people think of guide dogs for the blind. But do you know about guide horses? These small horses help blind people (2) _____ around a city or town. For example, they travel with them in (3) _____, cross roads and even help them get on and get off (4) _____. Horses live much (5) _____ than dogs, so they can be with the person for a long time.

Other animals can be helpers too. Monkeys are very clever and can look after people in many different ways. They can pick up your phone when you drop it. They can turn on the television for your favourite programme and turn off the television when it finishes. However, many people think that monkeys shouldn't be animal helpers because they are (6) _____. animals.

Most dogs are good at swimming but the dogs in the photo are very, very good at it. They work on (7) _____ in Italy during the summer, keeping people safe in the sea. They can jump from helicopters and fast boats, and (8) _____ people in danger in the water. 'Dogs don't get tired as quickly as we do,' (9) _____.Emilio, their trainer. 'A dog is strong and it can swim fast. It gets to a swimmer faster than we can and then it brings the person back to the beach.'

It takes three years to teach these dogs everything they (10) _____ to know. Then they are ready to do their jobs. People often think of animals as their friends, but these amazing animals are much more than that.

## Part 4 Choose the right words.
