4. Read and write a word in a blank

Glass isn't new. People were making glass bowls and bottles more .....than..... 5,000 years ....., actually. But no one has ever found out who made glass first, or when and where that ..... .

One story tells ..... that some men from a ship arrived on a beach and decided to make a meal. They made a fire on the sand and ..... some small rocks and stones in the middle of the fire to cook on. The fire burned ..... a very long time and the rocks and stones got really hot. Parts of the rock and some of the stones began ..... with the sand to make glass!

So ..... next time you look through a window, look at a mirror ..... are holding a glass of water, think, 'Wow! This glass is made from very, very hot sand!'
