SOFIA RIVERA

AGE: 19
ENGLISH LEVEL: B1
CONTEXT:
UNIVERSITY STUDENT

LEARNER BACKGROUND

Sofia is 19 years old and studies at a university in Ecuador. Her English level is B1. She has studied English for some years, but she still has problems with speaking and confidence.

REASONS FOR LEARNING ENGLISH

Sofia wants to learn English because she wants to travel and talk to people from other countries. She also thinks English will help her get a better job in the future.

LEARNING EXPERIENCE

Sofia likes music, videos, games, and speaking activities. She enjoys activities where she can work with her classmates, but she doesn't really like long worksheets or activities where she only has to memorize.

MOTIVATION CHALLENGE

Sofia feels nervous when she speaks English in front of the class. She is afraid of making mistakes and being judged by others. Low grades also make her feel less motivated. However, she keeps studying because she knows English can help her in the future.
