* Viet Nam: 54 ethnic groups
* Kinh: the largest group
* Minority groups: Tay, Thai, Hmong, Ede, Nung, Khmer, Cham, Bahnar
* Each group: own language, lifestyle, costumes, traditional culture

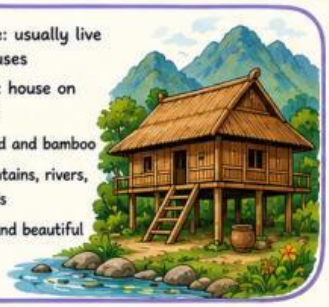

3

* The ethnic group I would like to talk about: the Tay
* Tay people: one of the largest ethnic minority groups
* Live in the northern mountains, especially Ha Giang
* Villages: peaceful and close to nature

4

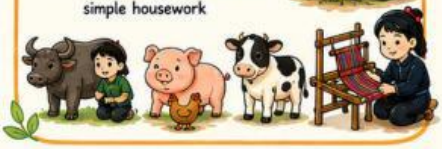

* Tay people: usually live in stilt houses
* Stilt house: house on high posts
* Made of wood and bamboo
* Can see mountains, rivers, terraced fields
* Very special and beautiful

5

* Daily life: grow rice, raise livestock, do gardening, weave clothes
* Some families: grow crops, keep chickens, pigs, cows
* Children: help parents with simple housework

6

* Rich traditional culture
* Folk songs, folk dances, musical instruments
* Đàn tính: a popular musical instrument
* Special food: five-colour sticky rice
* At festivals: wear traditional costumes, sing, dance, play music together

7

* Ethnic groups: make Vietnamese culture more colourful and interesting
* We should: learn more, respect their lifestyle, protect their traditions
* I hope: visit a Tay village in Ha Giang one day
