My Free Time, My Happy Time!

Hi! My name is Emma. I am 14 years old, and I love my free time!

After school, I enjoy listening to music and drawing colorful pictures. My favorite hobby is drawing because it makes me happy and relaxed.

My brother, Lucas, is 13 years old. He loves playing soccer with his friends at the park. He plays soccer every Saturday.

On Sundays, we usually spend time together. Sometimes we ride our bikes or watch movies at home.

I think hobbies are important because they help us have fun, learn new things, and spend time with people we love.

What about you? What is your favorite hobby?
