ACTIVITY 05 • DEVELOPMENT · 8 MIN

Carlos's Study Challenge

Group analysis worksheet · Work together and propose two solutions.

Group: _____ Date: _____ Members: _____

01 READ THE SCENARIO

"Carlos is a BGU student. He sleeps only four hours every night, studies with constant social-media notifications turned on, and cannot remember what he reads while studying."

02 MAIN LEARNING BARRIER

What is the main problem affecting Carlos's learning?

_____

_____

03 OUR TWO SOLUTIONS

SOLUTION 1

Carlos should ... because ...

_____

_____

SOLUTION 2

If Carlos ..., he will ...

_____

_____

04 THINK ABOUT DIFFERENCES

How might your advice change for students with different family routines or study resources?

_____

REMEMBER • Everyone contributes • Listen respectfully • Suggest realistic solutions
