BASIC ENGLISH READING PRACTICE

Level A1–A2 | Read Slowly and Understand the Meaning

My Daily Routine

I am a student. I have a simple daily routine. I usually wake up at 6 o'clock in the morning. I get up, make my bed, and take a shower. Then I have breakfast with my family. I eat toast, fruit, and sometimes eggs.

After breakfast, I go to school. I walk to school because it is near my house. I meet my friends at school, and we study different subjects. I like English because it is interesting and useful. My teachers are kind, and they always help us.

At noon, I have lunch at the school cafeteria. I usually eat rice, chicken, and vegetables. In the afternoon, I continue my classes and do my homework after school.

In the evening, I spend time with my family. We have dinner together and talk about our day. I also read books or watch a movie. I go to bed at 10 o'clock because I want to be healthy and get enough rest.
