Watch the Weather!

Most people plan their vacations very carefully. They think a lot about plane tickets, passports, and places to stay. But they often forget about one important thing—the weather. You should learn about the right time to visit your vacation spot. Here is some information to help you plan your next vacation.

It's very hot in Venice, Italy, from June to September.

Italy The weather is mostly sunny all year, but it's sometimes cold in winter. April and May are warm and beautiful. From June to September, it's very hot.

Australia Summer here is from December to April. It sometimes rains, but the weather is usually very good. In winter, it snows a little in some places, but most of Australia isn't very cold.

Hong Kong The weather is hot here a lot of the year. In July and August, it's sometimes very windy, and there are bad storms. October and November are warm, but in December and January, it gets very chilly sometimes.

Germany From November to April, the weather is cold, cloudy, and snowy. In spring, it's warm, but there's a lot of rain. July and August are usually warm and sunny.

India June to September is monsoon season in many parts of India, like Mumbai and New Delhi. It rains a lot. From November to April, after the rainy season, the weather is nice and cool. In April and May, it gets very hot.
